REVIEWER GUIDELINES

Reviewer Guidelines:

Following are some important guidelines for reviewers when conducting peer-review of a manuscript for a BSP journal.

Active Submissions Page and Review Guidelines

Review: Once a title is selected, the review page will open.

1- Submission To Be Reviewed: Following details of the manuscript will be available on this page:

- Title
- Journal Section (section in which the article has been submitted i-e Abstract/manuscript/HT.)
- Abstract
- Submission Editor (Name of the editor/ Journal Manager is mentioned here)
- Submission Metadata (reviewers can review the submitted file by clicking "**Meta data**" available in front of this option.

2- Review Schedule: Under this link, the following details are available for reviewer:

- **Reviewer Name**
- **Editor's Request** (In front of this option, the date is mentioned when the editor requested the reviewer for review)
- **Your Response** (The date when reviewer will notify editor about his initial decision i-e will do the review or unable to do the review is mentioned)
- **Review Submitted** (In front of this option that date is mentioned on which the reviewer has submitted his comments for the assigned article)
- **Review Due** (In front of this option, the date which has been proposed by the editor for review report submission is mentioned)

3- Review Steps: Under this link, different review steps are available. By following these steps, reviewer can complete the review process and submit his comments or he may decline.

4- Will do the review: If the reviewer is interested to submit review report for the assigned manuscript/abstract, he must click this link to process further. By clicking this link, the reviewer will be directed to the next step of review.

5- Unable to do the review: Due to any reason if the reviewer is not interested to review the assigned manuscript/abstract, he must click this link to avoid auto generated reminders.

6- Reviewer Guidelines: Under this option, instructions for reviewers are available. The reviewer may consult this option in case of any questions or queries which will guide him to complete the review process.
